August 17, 2020

Dear Parents/Guardians,

Roselle Public Schools District is now using Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoology in our classrooms beginning on September 8, 2020 to enhance connectivity and communication across our Schools and District

With Schoology, students can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, and more. As a parent, you will be able to view your child's activity within the platform.

You have been given login credentials via email and your child will be given login credentials on September 1, 2020 to access the Schoology system for Roselle Public Schools.

We value your participation in your child's education, and we encourage you to read Schoology's Privacy Policy & Terms of Use at <https://www.schoology.com/privacy>. Student progress and activity will be monitored by faculty to ensure a safe, secure, and controlled environment.

If you have questions or feedback regarding Schoology, please email us at [schoologyadminb@roselleschools.org](mailto:schoologyadminb@roselleschools.org)

Sincerely,

Evenide Fanfan-Vilcean

Supervisor of Instructional Technology/CTE & Student Information

**\*Note:** If your contact information has changed such your name or email address, please inform the school administrative staff so your information is always current in all of our systems.
